Cleaning & Care

Regularly clean with mild soapy water using a microfibre cloth.

In highly polluted or coastal locations, we recommend cleaning 2-3 times per week.

Do not use harsh detergents, bleach, cream cleaners or citrus based cleaners. These substances are abrasive and will damage the surface.

Do not use undue pressure and wipe in one direction only.

WaterMark

The more stars the more water efficient. WATER RATING www.waterrating.gov.au 9.0 litres per minute In accordance with AS/NZS 6400 Licence No. 0252 Fienza
