Bathroom Solutions

The Corsica Bi-fold is a framed shower screen and is available in left or right hand openings. The front panel set can be used with a return panel or in an alcove. The unique bi-fold door opens inwards and incorporates a quick release catch for emergency outward opening.

The Corsica Slider is a framed shower screen with a sliding door. The Slider features a fully reversible design to suit left or right hand openings. The front panel set can be used with a return panel or in an alcove. The clever, water tight design ensures all water is contained in the shower recess.
