PEM-12090

Cleaning & Care

For best results, clean mirrors with a combination of 30% methylated spirits to 70% water and a soft, non-abrasive cloth designed for use on glass surfaces.

While we aim to ensure specifications are correct at the time of publication, Fienza reserves the right to make modifications without prior notice. Physical colour may vary from image shown. All measurements are shown in millimetres. Always use physical product measurements for mark-ups and roughing-in as the technical drawing may differ from actual product received.
